NV Champagne Paul Bara Réserve Brut, Bouzy FR 28

Domaine Paul Bara find itself in Bouzy, just outside of Epernay, and maintains the same 11ha of 100% Grand Cru Vineyards that it has controlled for the last seven generations. Here they carefully produce Champagnes of the highest quality. With a high percentage of Pinot Noir and a strict aging regime that sees even the non vintage expression sitting on its lees for four years, we have chosen Paul Bara to be our pouring Champagne of choice to exemplify the quality and finesse that is coming from growers at amazing prices, competitive to the grand marque labels.
