# Sparkling Wine

## Champagne

Made from a combination of Pinot Noir, Chardonnay and Pinot Meunier grapes in the French region of Champagne. The most highly esteemed of all sparkling wine.

**NV** **Paul Bara** Grand Cru Réserve Brut, Bouzy Fr **160**

**NV** **Charles Heidseick** 'Brut Reserve,' Reims, FR **209**

**2006** **Gosset** Grand Millésime, Épernay Fr **270**

## Other Sparkling Wines

**2018** **La Prova** Prosecco, King Valley VIC **65**

Prosecco is primarily made from the Glera grape, and its production is usually restricted to only a few select regions in Italy. Compared with Champagne, these wines carry a fuller texture and fruit whilst remaining quintessentially dry.

**NV** **Schloss Gobelsburg** Sekt Reserve, AUT **90**

'Sekt' is a German term for sparkling wine. Its premium examples are often made through Methode Traditionale, and can include, as this wine does, Pinot Noir, Riesling, and Grüner Veltliner. Crisp, fruit forward, delicious.

**NV** **Pike & Joyce** Pinot Noir Rose, ADL Hills SA **70**

From the second highest vineyards in the Adelaide Hills comes this stunner of a sparkling rose under the Pike and Joyce label. Beautifully crisp yet textural.

**2016** **Rafa Bernabe** 'Acequion' Muscat de Alexandria Pet Nat, Alicante ESP **85**

**NV** **Ciro Picariello** 'Brut Contadino' Spk Fiano, Campania IT **105**

## **Riesling and Friends**

*Few beverages in the world can hold the esteem that the supremely aromatic Riesling has globally, and at all the spectrum's ends – in Germany and Austria, the wines that boast a purity and sweetness carried by a lick of structural acid and texture find themselves the most prized, where few Australian wine drinkers have grown without knowing the lazer-dry styles of the Clare.*

### **2018 Dom Valentine Riesling, Yarra Valley VIC 65**

*Undoubtably one of the best Australian winemakers you've never heard of, Victoria's Dom Valentine comes with a heavy hitting resume and Riesling is definitely a strong suit – well worth a lash.*

### **2018 Le Petit Vanguard Riesling, Clare Valley SA 58**

### **2017 Frankland Estate 'Poison Hill' Riesling, Frankland River WA 68**

### **2015 Hirsch Riesling 'Zöbing,' Kamptal AUT 77**

### **2017 Alzinger 'Mühlpoint' Grüner Veltliner Federspiel, Wachau AUT 92**

*A family winery on the banks of the Danube, the Alzingers work with the utmost respect for their environment and a minimal intervention philosophy in Vineyard and Cellar. This 'Mühlpoint' Federspiel is a bracing playoff between classic Grüner spicyness and the regional minerality for which Wachau is known.*

### **2011 Salomon Undhof 1er Cru 'Steiner Kogl' Riesling, Kremstal AUT 110**

### **2018 Mada 'Blanc' PG/Gewurz/Riesling, Canberra District ACT 63**

### **2017 Gorrondona Bizkaiko Txakolina, Basque ESP 68**

*Never tried Txakoli ("Cha-ko-lee")? Not sure why you'd want to deprive your tastebuds of that refreshment, but ok...*

- 2016 Dönhoff Riesling Trocken, Nahe GER 78**
- 2015 Okonomierat Rebholz Riesling Trocken, Pfalz GER 98**  
*From the third generation of the Rebholz family, pundits of Biodynamic Agriculture and pioneers of the idea of a more natural style of winemaking than Germany was used to. A true Trocken, super mineral and crisp, and a true reflection of the terroir of the legendary Pfalz.*
- 2017 M&A Arndorfer 'Vorgeschmack' Grüner/Riesling, Kamptal AUT 82**
- 2016 Markus Molitor 'Haus Klosterberg' Riesling (1000ml), Mosel GER 87**

- 2017 Peter Lauer 'Faß 13 – Saarfeilser' Grösses Gewachs Riesling, Saar GER 275**  
*"Grösses Gewachs" is a German Riesling producer's version of a Grand Cru; in the case of Florian Lauer, his usual terroir-driven style is amplified here. The Saarfeilser exemplifies all this; somewhere between dry and off dry, but tremendous structure, power and balance.*
- 2014 Ansgar Clusseräth Trittenheimer Apotheke Riesling Kabinett GER 82**
- 2015 Markus Molitor 'Ürziger Würzgarten' Riesling Spätlese, Mosel GER 117**

The ways that white wine develops texture are myriad: oak, time spent on lees, fermentation techniques or indeed the varietal character from each grape will contribute to a broad mouth-feel and a long, satisfying finish.

## **Vodka** 30 mL/60 mL

*The largest of the Scottish whisky sub-regions, Highland and Speyside whiskies are generally full-bodied, rich and sweet. Rarely if ever smokey, often joyously aged in ex-sherry barrels to bring a variety of flavours, from dried fruits and spices to nuts, honey and caramel. The further south you travel, generally, you find whiskies lighter, grassier and more perfumed.*

# **Tequila/Mezcal**

*Tequila and Mezcal are both a part of one big, happy family – made in Mexico from members of the Agave family, that's pretty much where the similarities end. Tequila, from the Blue Weber Agave, speaks of sweetness and soft fruit, whereas Mezcal, made from any member of the Agave family, presents mineral, faint smoke and earth.*
